

CARE & NURTURE TEAM REPORT

While the focus of The Care & Nurture Team changed somewhat with the return of more people to in-person church service (vs. caring during the height of Covid) the team continued to work to keep the church family connected in 2022.

The team continued to make some check in phone calls, texts and emails and sent cards or emails acknowledging birthdays. We established Meal Trains for 2 people this past year. We also supported 4 families during memorial services handing out programs, helping with floral set up, food/fellowship set up and general comfort care.

The monthly meeting is chaired by a different member of the team on a rotating basis. This is due to the fact that Peggy Campbell has resumed her position of Office Admin and we all agreed that rotating the meeting chair would take it off of Peggy's plate. While she continues to be the team lead, this group truly is a huge team effort! Each month the person that is chairing the meeting for a given month also presents the Joys & Concerns in church for that month.

Al Thompson kept us updated throughout the year on the Memorial Garden, stone installation (Gene Eliassen), new stone orders, challenges and maintenance.

The Team is now comprised of 10 people: Cam Burkard, Peggy Campbell, Holly Jay, Joanne Murray, Jan Narracci, Ann Pidgeon, Jean Sherer, Al Thompson, Ardie Thompson and Shirley Wick. Interim Pastor Olive attends most of the Care & Nurture team meetings as well.

The Care and Nurture Team supports each other, our church family and extended families of those experiencing loss.

Peggy Campbell
Team Lead, Care & Nurture Team
