

In 2022, the Covenant Commitment Team (CCT) was composed of the following members; Leader Gene Albright, Nancy Clark, Don Wick, Jan Narracci, Denis Dunlap and Paul Campbell. Pastor Olive also joined the team for its monthly meetings. The CCT is basically responsible for the stewardship of UCCPH. Christian Stewardship refers to **the responsibility that Christians have in maintaining and using wisely the gifts that God has bestowed.**

In January, we worked on the composition of a pledge letter to go to all members of UCCPH. This is the letter that goes out annually asking the congregation to let us know about the Treasure component they are planning to donate for the coming year. This process helps in knowing where any revenue shortfalls may be in regards to covering our expenses each year.

Realizing that we had a deficit as far as our budget was concerned, the CCT worked on coming up with some ideas for fundraising efforts throughout the year. This resulted in our having a pancake breakfast in March I believe, which was very successful thanks to the confirmants and their families preparing all the food. In addition, thanks to Denis, in the spring we held a sale of Pampered Chef products, the proceeds from which went to the church. In the summer we planned and held a peach sale with the help of the Broomfield Rotary Club and Nancy Clark which again netted us some needed cash. Throughout the year we promoted the Safeway and King Sooper's "free money" programs as well. While these projects alone didn't completely cover our projected deficit, they went a long way in helping us do so by letting the congregation know that we all needed to come together to solve the issue. The combination of all efforts put forth by the CCT and the congregation allowed us to end 2022 with a surplus rather than the planned deficit, so Yay for us!

In the fall, Gene's work schedule became such that he didn't feel he would have the time to continue chairing our team, so we are looking for a new chair for 2023. We owe a big debt of thanks to Gene for leading this team the past three years. We would welcome anyone who would like to join our team and help with stewardship.

Paul Campbell
