

UCCPH Council Minutes, August 14, 2024, 5:30 pm

Attendance: Jan Narracci, Kay Frunzi, Gene Eliassen, Gus Burkard, Quinn Gorges, Luke McWilliams

Reflection: Pastor Quinn led us in prayer.

Moderator Report: There was no moderator report today.

Pastor Report: Pride Fest went well with many contacts made. The grief book study group will begin on August 20. The church has no volunteers for Faith Formation. Deacons are needed. Pastor Quinn made a spreadsheet with a master list of all the volunteers for Sunday morning services. It was suggested that deacons volunteer for a month at a time, with them responsible to find a replacement, if needed.

Mission Team report: La Puente gleaning trip will occur on September 28.

Old Business:

Youth mental health event: The youth mental health event is scheduled on September 15 at 6:30 pm.

Update on gutter cleaning and loft circuits: Justin offered to clean out the gutters. He also said that he has an electrician who will come and put the new circuit in the loft. Gus Burkard priced out price at Costco for EasyOn Gutter Guard. The cost is \$39.99 for 5 inches X 24 feet.

Motion, Seconded, and Approved to purchase and install EasyOn Gutter Guard. There are already funds allocated.

Music director position update: The music director job description is being shared with a friend of Pastor Quinn to see if he is interested.

Moderator and Vice-Moderator: No one has voiced their interest in serving as moderator for the church council. If no one steps up, the Council will need to look at alternative ways for the church leadership on the Council.

Church clean-up planning: Gene Eliassen will modify and send a prioritized list of projects to be done on our church clean-up day on Saturday, August 24. Kay Frunzi will make a sign-up sheet and announce it to the congregation on Sunday morning for people to sign up for the various projects.

New Business:

Installation: The conference sent Pastor Quinn the order of the installation for Sunday, August 18 at 3:00 pm. The Care and Nurture team is providing refreshments and will serve as welcomers.

Adjournment: 7:30 pm

Next meeting: September 2024, at 5:30

Respectfully submitted,
Kay Frunzi, Vice Moderator
