

WORSHIP TEAM REPORT 2024

The Music and Worship Team works with the Pastor to plan, select music, and coordinate the worship services of the church, Sundays and special ones. This year's special ones included ordination and installation services for Pastor Quinn, a memorial service, Christmas Eve, Lenten services, and Blessing of the Animals.

The planning team members are Sue Neal, Peggy Lundberg, Joe Narracci and Pastor Quinn. Other members who faithfully sing with the hymn leadership team include, Pearl Gorges, Joe Narracci, Erica Courtright, and Paul Lundberg.

We have four keyboard musicians who rotate their time to provide quality music for all services. They are, Sue Neal, Ben Jenkins, LuAnn Hiler, and Peggy Lundberg.

A choir sang for Easter, which was also Pastor Quinn's first service with us, and also performed a special program for Christmas. Various individuals and small ensembles helped with music throughout the year. Some of these musicians were Ellie Yoakam, Sandy Woodrow, Darcy Neal, Erica Courtright, Pearl Gorges, and Kay Frunzi and her family.

This church is indeed fortunate to have such quality music and musicians. Most are volunteers. As of the moment, there is not a Music Director. One is desperately needed to help the Pastor and musicians coordinate the worship services of the church, as well as, identify new resources to build a more robust music program.

Respectfully submitted,
Peggy Lundberg
